Early Detection

Quickly detect firearms and alert security even before a gun is fired.

STEP 01

Proactive Security

Get real-time alerts and minimize response times in emergency situations.

STEP 02

Cost-Effective

More cost-effective than other security measures like metal detectors or security guards.

STEP 03

Benefits of
Gun Detection
Tech for Campus Safety

WWW.MCCSOLUTIONS.NET

Ease of Use

Easily integrate gun detection tech into your cameras and access control.

STEP 04

Increased Safety

Provides a safer environment for students, staff, and visitors.

STEP 05

STEP 06

Reduced Risk of Violence

Early detection reduces risks of violence by taking preventative measures to secure your campus.
